Chairman Shinall called the meeting to order at 5:00 p.m. Mike Byrd will be the Acting Board Secretary as Rachel Kinsey is absent. Anne Dover will record the minutes.

Janis Rodgers presented seven provisional ballots. Four of the provisional ballots were from the countywide election and three were from the City of Mountain Park municipal election. The Board of Elections and Registration voted unanimously to approve all seven ballots. The four ballots from the countywide election were from voters that were at the wrong polling location after 5 p.m. The three ballots from the City of Mountain Park municipal election were voters that should have been listed in the Poll Pad but were not. These voters were listed in eNet. It is unclear as to why this data was not transferred from eNet to the Poll Pads. KnowInk has been notified.

The Cherokee County Board of Elections and Registration signed the certification documents for the elections:

- City of Ball Ground General Municipal Election
- City of Canton General Municipal Election
- City of Mountain Park General Municipal Election
- Special ESPLOST Election for the Cherokee County Board of Education.

Kenneth Owen, CFO, Cherokee County Board of Education was given the certification documents.

Motion made by Alan Shinall to adjourn meeting, seconded by Cindy Castello.
